

## Spring Collection Drive - Template Email to Parents / Guardians

**Subject:** Spring Clear-Out – Help Our School Fundraise! 🌸

**Dear Parents and Guardians,**

Spring is the perfect time for a fresh start! As you clear out your wardrobes, why not donate your **unwanted clothes and shoes** to help raise funds for our school?

We've partnered with the award-winning Roberts Recycling to take part in the **Recycle 4 School / Dragon Bags** programme, which turns your textiles donations into valuable support for our students.

### How You Can Help

- **Have a spring clean** – gather any clean, reusable clothes, shoes, and textiles you no longer need.
- Share your collection drive with friends, family and colleagues - we've also created a **'Spring Collection Drive'** Poster (attached) for you to print out at your workplace or share amongst your friends.
- **Drop your collection off at [insert collection location]** – we're collecting until **[insert deadline]**.

### Why It's Important

- Helps reduce textile waste and protect the environment.
- Raises much-needed funds.
- Teaches students about the importance of recycling and sustainability.

Let's make this **Spring Collection Drive** a big success! If you have any questions, please get in touch,

Thank you for your support!

**Best regards**
